

CHAPTER : 12**DATA REGISTRATION****12.1 Responsibility:**

- 12.1.1 All the users are responsible for submitting the up-to-date data in accordance with the provisions of the Grid Code. All the users shall provide STU, the names, addresses, and the telephone numbers of the persons responsible for sending the data. STU shall inform all the users the names, addresses and telephone numbers of the persons responsible for receiving the data.
- 12.1.2 STU shall provide up-to-date data to users as provided in the relevant Chapters of the Grid Code.
- 12.1.3 Responsibility for the correctness of these data rests with the concerned users providing the data.
- 12.1.4 The data schedules are structured to serve as standard formats for data submission and these formats shall be used for written data submission. Wherever standard data formats are not given, these should be developed by SLDC in consultation with the users.
- 12.1.5 All the data to be submitted to STU or to such other department including any other transmission licensee as STU may from time to time be notified to users. The name of the person who submits each schedule of data shall be indicated.
- 12.1.6 Wherever a computer data link exists between the user and SLDC/transmission licensee, data may be submitted through this link. The data shall be in the same format as specified for paper transmission except for electronic encoding for which some other format may be more appropriate. The user shall specify the method to be used in consultation with STU/SLDC/transmission licensee and resolve issues such as protocols, transmission speeds etc., at the time of transmission.

12.2 Changes in user's data:

- 12.2.1 Whenever the user becomes aware of the change to any items of the data registered under license, the user must promptly notify the STU of the changes. STU on receipt of the changes shall promptly correct the database accordingly. This shall also apply to any data compiled by STU regarding his own system.

12.3 Data not supplied:

- 12.3.1 All the users are obliged to supply the data referred to in the individual Sections of the Grid Code and listed above. In case any data is missing and not supplied by the user, STU may act reasonably. If and when necessary, he may estimate such data depending upon the urgency of the situation. Similarly in case any data is missing and not supplied by STU, the concerned user may, act reasonably. If and when necessary, he may estimate such data depending upon the urgency of the situation. Such estimates, in each case, shall be based upon the corresponding data for similar plant or apparatus, or upon such other information, the user or STU, as the case may be deems appropriate.

12.4 Special considerations:

- 12.4.1 STU or any user may at any time make reasonable request for extra data as necessary.
