The total penalty shall not exceed 5% (five percent) of the total contract price exclusive of GST.
- b. The payment or deduction of such damages shall not relieve the contractor from obligations to complete the works, or from any of other obligations and liability under the contract.

11 EXTENSION OF TIME

If the completion of work is delayed due to reason beyond the control of the contractor such as strikes, lockouts, fire accident, delay in approval of drawings, force majeure conditions etc, then the contractor shall request to the CSPTCL in writing of his claim for an extension of time without delay. The CSPTCL on receipt of such request with supporting documents may agree to extend the contract date of the work as may be reasonable but without prejudice to other terms and conditions of the contract.

12 GUARANTEE PERIOD:

The work done by the contractor as per the contract specification should be guaranteed for satisfactory operation and against any defect workmanship for a period of 12 (twelve) months from the date of completion of work. The above guarantee certificate shall be furnished in triplicate to the purchaser for his approval. Any defect noticed during this period should be rectified by the contractor free of cost to CSPTCL upon written notice provided such defects are due to bad workmanship.

13 PERFORMANCE GUARANTEE:

- (a) After successful completion of work, the contractor shall provide a Performance Bank Guarantee from a Nationalized/Scheduled Bank for an amount of 5% (five percent) of the contract price in the approved Proforma of the CSPTCL. This Bank guarantee shall be executed on stamp paper worth Rs. 250/- or any other amount as per the M.P./C.G. State stamp duty Act and shall be kept valid till completion of the guarantee period mentioned in the foregoing Clause plus six month claim period or 2 years from the date of signing of "Pre-contract integrity pact" whichever is later.
- (b) No interest shall be paid by CSPTCL for the aforesaid bank guarantee. In case of non-performance of the line as per the contract specification, the performance bank guarantee shall be forfeited.

14 RESPONSIBILITY FOR OBTAINING INFORMATION AND TAKING ACTION IN TIME

Whenever any information or clarification in respect of execution of work covered under this specification has to be obtained from various authorities, the contractor shall be responsible for taking action well in time so that there are no delays on this account. The completion period offered in the tender shall be deemed to include the time taken for such incidental works. Request for extension of the completion period on such ground will not be entertained.

15 PERMITS AND PRIORTIES:

The contractor shall obtain the necessary permits / license / permission, if any, required for the execution of the contract, as per central /state / local statutory bodies at his cost.

The CSPTCL may, however, furnish to the contractor such certificates as may be required for the necessary permits / priorities for the execution or works, if Board considers the demand justified.

The CSPTCL will, however, not be responsible for the delay in execution of contract, if permits / priorities are not granted in time.

16 TOOLS AND PLANTS TO BE ARRANGED BY THE CONTRACTOR

The contractor will have to arrange at his cost all tools, plant and equipments for execution of work covered under this specification. The contractor will furnish in the list of all tools and plants, which are available with him.

The contractor shall be responsible for the correctness of the positions, levels and dimensions of the works notwithstanding that he may have been assisted by the Engineer in setting out the same.

18 ENGINEER'S DECISIONS

In respect of all matters which are left to the decision of the Engineer, including the granting of or withholding of certificates, the Engineer shall, if required so to do by the contractor, give in writing a decision thereon, and his reasons for such decision. All decisions of the Engineer shall be subject to the right of arbitration reserved by these general conditions.

19 CONTRACTOR'S REPRESENTATIVE AND WORKMAN.

The contractor shall employ at least one competent representative, whose name or names shall have previously been communicated in writing to the Engineer by the contractor to supervise and carrying-out of the work. The said representative or if more than one shall be employed, then one of such representatives, shall be present on the site during working hours, and any written orders or instructions which the Engineer or his duly authorized representative whose name shall have been previously communicated in writing to the contractor may give to the said representative of the contractor shall be deemed to have been given to the contractor.

The Engineer shall be at liberty to object to any representative or person employed by the contractor in the execution of or otherwise about the works who shall misconduct

himself or be incompetent or negligent, and the contractor shall remove the person so objected to upon the receipt from the Engineer of notice in writing requiring him so to do and shall provide in his place a competent representative at the contractor's expense.

20 SECRECY

The contractor shall treat the details of the specification and other documents as private and confidential and they shall not be reproduced without written authorization from CSPTCL.

21 SAFETY PRECAUTIONS

The work will be carried out by observing all the rules and regulation regarding safety from any type of accident.

22 INSPECTION

The Engineer in Charge or his authorized representative(s) shall be entitled at all reasonable times, access to the contractor's premises or works to inspect and examine the workmanship of the work thereof, for which all the reasonable necessary assistance shall be rendered by the contractor without any extra commitment. Such inspection will not relieve the contractor from their obligations under this contract.

The Engineer shall on giving seven day's notice in writing to the contractor setting out any grounds of objection which he may have in respect of the work, be at liberty to reject all or any part of the work or workmanship the subject of any of the said grounds of objection, which in his opinion are not in accordance with the contract or are in his opinion defective for any reason whatsoever. Such notice shall be sent to the contractor within reasonable time after the ground upon which such notice is based have come to the knowledge of the Engineer.
