All the above 3 No envelops will be kept in a large fourth envelop as given in clause 4 above.

6. At the time of opening of the Part-I and Part-II i.e. Earnest money & Qualifying Requirement, Techno Commercial Bid of the offer, shall be opened on due date as indicated in tender notice in chronological order. If the earnest money and tender form are found satisfactory, then the qualification requirement and techno-commercial bid shall be opened. All the relevant details will be read out.

Price bid of successful Techno- commercial bidders would be opened at a later date with due information to the qualifying bidders.

## 7. **PRICE BID**

The bidder must quote their Prices in the Performa given in the Schedule-III of the tender. Bidders must quote their price in accordance to the specifications and conditions. Any deviation from the above shall be considered as an alternate bid. The bids will be evaluated based on the main offer only.

- (i) Over-writing, erasures and other changes shall bear the dated initial of the person signing the tender.
- (ii) In the event of discrepancy or arithmetical error in the schedule of price, the unit price shall prevail and the total price shall be accordingly corrected by the CSPTCL. The above arithmetical correction shall be accepted but the decision of CSPTCL shall be final and binding on the bidder.
- (iii) For evaluation the price mentioned in words shall be taken if there is any difference in figures and words in the price bid.
- (iv) The quoted price should be kept valid for the contractual period or completion of the line which ever is later. Bidders are requested to **quote FIRM price exclusive of GST**.
- (v) All columns shall be completely filled up properly and neatly.
- (vi) The validity of the offer must be 120 days from the date of opening of price bid. No conditional price should be quoted.

## 8. **EVALUATION OF BIDS: -**

- (i) The evaluation of bids will be done by comparing the total of prices of all the items, which are needed for the work.

- (ii) The loading of the items for which the prices are not quoted by bidders. In such cases the loading will be done at highest price quoted among the bidders. But the orders will be placed at the lowest price offered among the bidders.
- (iii) The CSPTCL reserves the right to reject the lowest or any other tenders or all tenders without assigning any reason, whatsoever, if it is considered expedient in the overall interest of CSPTCL.

The CSPTCL's decision in such matter shall be final.

## **9. NON RESPONSIVE BID**

CSPTCL reserves the right to reject any bid, which is:

- (a) Not accompanied by the Earnest Money as specified above.
- (b) Not received by the due date and time specified.
- (c) In variance with specified terms and conditions.
- (d) If at any time, it is found that a material misrepresentation of the fact is made or uncovered.
- (e) The bidder does not respond promptly and thoroughly to the request for supplementary information required for the evaluation of his bid.
- (f) If the bidder fails to super scribe on the envelope containing the bid, the details of Earnest Money deposited by him, the company shall not accept any responsibility and the offers received shall be rejected and shall be returned to the bidders.

## **10. COMPLETION PERIOD: -**

The work included in this tender will have to be completed by the contractor within 90 (ninety) days from the date of handing over of material/ site & availability of shutdown. The contractor shall ensure to complete the work within aforesaid stipulated period.

## **11. EPF REGISTRATION:-**

The bidder should have EPF Code Number allotted by EPF commissioner.

## **12. QUANTUM OF WORK:**

The quantities indicated in price schedules are based on preliminary assessment hence provisional and may vary. The work is to be completed as per actual site conditions (as confirmed by the O.I.C of the work) and on same price as offered and on similar terms and conditions.

- 13.** The power of attorney in respect of the person signing the tender on behalf of bidder shall be submitted along with techno – commercial bid.

- 14.** If the firm is partnership firm, the names of the firms, its complete address and designation of all the partners may be furnished.

**SECTION – II**  
**GENERAL CONDITIONS OF CONTRACT**

**1. CONTRACTOR**

The contractor shall be deemed to have carefully examined the general conditions of specification, schedules and drawings. If he shall have any doubt as to the meaning of any portion of these general conditions or of the specification, he shall before signing the contract set forth the particulars thereof, and submit them to the Engineer in writing, so that doubt may be removed.

**2. CONTRACT AGREEMENT AND SECURITY DEPOSIT**

2.01 The successful contractor shall have to enter into an agreement with the CSPTCL in the approved contract agreement form on a non-judicial stamp worth Rs. 300/-+ revenue stamp of 1/-Rupees within 15 days of the receipt of the work orders for due performance and observance of terms and condition of contract , failing which the contract may be cancelled.

2.02 The successful bidder will be required to deposit 10% amount of the contract price as security deposit. An amount equal to that of 10% of the total value of the order initially placed, in the form of FDR pledged in favour of Manager RAO-HQ, CSPTCL, Raipur payable at Raipur valid up to scheduled completion date plus eight months.

**OR**

The contractor shall furnish a bank guarantee from a nationalized / scheduled bank for an amount of 10% (ten percent) of the value of the order as a contract security. This bank guarantee shall be submitted within 15 days of receipt of work order and shall be kept valid for a period exceeding the scheduled completion date by two months with claim period of further six months. In the event of extension of completion date, the validity of the bank guarantee shall be suitably extended on stamp paper worth Rs. 300/- or as per the prevailing legal requirements / any other amount as per the C.G. State Stamp Duty Act in the prescribed form of CSPTCL.

2.03 **No interest shall be paid by CSPTCL on the security deposit.**

In case of non-fulfilment of contractual obligations by the contractor the earnest money / security deposit shall be forfeited.

2.04 The security deposit shall be released only on successful completion of work taken over and after issue of No dues certificate by OIC of the awarded work.

**3. MANNER OF EXECUTION**

The work shall be carried out in an approved manner as detailed / outlined in the technical specification or in accordance with latest relevant Indian Standard Specification, to the reasonable satisfaction of the Engineer.

The contractor shall within 15 days after the date of issue of order submit a detail programme for the execution of work for his consent to the Engineer. The contractor shall, whenever required by the Engineer, also provide in writing for his information if general description of the arrangements and methods which the contractor proposes to adopt for the execution of the work.

(a) If at any time, it appears to the Engineer that the actual progress of works does not conform to the programme to which consent has been given, the contractor shall produce at the request of the Engineer, a revised program showing the modifications to such program necessary to ensure completion of the works within the time of completion.

**4. ENGINEER’S SUPERVISION**

All the works shall be carried out under the direction and to the satisfaction of the Engineer-in-charge.

**5. ENGINEER’S DECISIONS**

In respect of all matters which are left to the decision of the Engineer, including the granting of or withholding of certificates, the Engineer shall, if required so to do by the contractor, give in writing a decision thereon, and his reasons for such decision.

**6. PROGRAMME CHART AND PROGRESS REPORT**

The time and date of completion of the work as stipulated in the relevant clause shall be deemed to be essence of the contract. The contractor shall organize his resources and perform his work so as to complete it not later than the date agreed to. The time for completion of the works contracted for shall be reckoned from the date of handing over of site.

Besides above, a periodical review meeting between contractor and CSPTCL shall be held monthly to analyze the scheduled and actual progress, targets for the next period and to sort out bottlenecks, if any. The contractor will attend the above meetings along with necessary information in respect of the work.

**7. REGULATION OF LOCAL AUTHORITIES**

The CSPTCL shall, throughout the continuance of the contract and in respect of all matters arising in the performance thereof, serve all notices and obtain consents, way leaves, approvals and permission required in connection with the regulations and bye-laws of the local or other authority which shall be applicable to the works, However, the contractor shall obtain all the necessary licenses as per central/state/local statutory bodies at his cost.

**8. SAFETY PRECAUTIONS**

The contractor shall strictly follow, at all stages work, the stipulations contained in the latest editions of IS-7205 “Indian Standard Safety code for erection of structural steel work”.

**9. CONTRACTOR’S REPRESENTATIVE AND WORKMEN**

The contractor shall employ at least one competent representative, whose name or names shall have previously been communicated in writing to the Engineer by the contractor, to supervise, the erection of the line and the carrying out of the work. The said representative, of if more than one shall be employed, then one of such representatives, shall be present on the site during working hours, and any written orders or instructions which the Engineer or his duly authorized representative whose name shall have been communicated in writing to the contractor shall be deemed to have been given to the contractor.

The Engineer shall be at liberty to object to any representative or person employed by the contractor in the execution of or otherwise about the works who shall misconduct himself or be incompetent or negligent, and the contractor shall remove the person so objected to upon the receipt from the Engineer of notice in writing requiring him so to do and shall provide in his place a competent representative at the contractor’s expense.

## **10. INSPECTION DURING WORK**

The Engineer-in-Charge or his authorized representative(s) shall be entitled at all reasonable times, access to the contractor's premises, to inspect and supervise and test during the work thereof for which all the reasonable necessary assistance shall be rendered by the contractor without any extra commitment. Such inspection will not relieve the contractor from their obligations under this contract.

The Engineer shall on giving seven day's notice in writing to the contractor setting out any grounds of objection which he may have in respect of the work, be at liberty to reject all or any materials, plants or workmanship the subject of any of the said grounds of objection, which in his opinion are not in accordance with the contract or are in his opinion defective for any reason whatsoever. Such notice shall be sent to the contractor within reasonable time after the ground upon which such notice is based have come to the knowledge of the Engineer.

The contractor shall give the Engineer 7 (Seven) days clear notice of any work/material being ready for inspection/testing and the Engineer or his said representative shall, attend at the contractor's premises or works within a reasonable time.

## **11. ENGAGEMENT OF WORKERS BY CONTRACTOR**

- (a). The contractor shall at his own expense provide or arrange for the provision of footwear for labour doing the work which the contractor has undertaken to execute under this contract to the satisfaction of Engineer-in-charge.
- (b). When ever demanded by the Engineer-in-charge the contractor shall submit a true statement showing: -
  1. Number of Labour employed by him on the work
  2. Their working hours
  3. The wages paid to them, and
  4. The accidents that occurred during the working period of which information required stating the circumstances under which it occurred and the extent of damage and injury caused to them. The contractor should intimate all concerned about any accident & take immediate actions as governed by Rules.

Failure to supply such information or supplying materially incorrect statements may amount to breach of contract. The decision of the Engineer-in-charge shall be determining whether a breach has taken place.

In respect of all labourers directly employed in the works of the performance of the contractors part of this agreement the contractor shall comply with or cause to be complied with all the rules framed by the Government from time to time for the protection of Health and Sanitary arrangement of the workers employed by the contractors.

## **12. POWER TO VARY OR OMIT WORKS**

The CSPTCL shall have the right to alter, amend, omit, or otherwise vary the quantum of work, by notice in writing to the contractor. The contractor shall carry out such variation in accordance with the rates specified in the contract so far as they may apply and where such rates are not available; those will be mutually agreed between the CSPTCL and the contractor.

## **13. EXTENSION ORDER**

Extension order maximum to 50 % of the total quantity of work within 6 months from the date of order may be placed on same rates, terms & conditions of the original order.

#### **14. NEGLIGENCE**

If the contractor shall neglect to execute the work due to negligence and expedition, or shall refuse or neglect to comply with any reasonable orders given to him in writing by the Engineer in connection with the work, or shall contravene the provisions of the contract, the purchaser may give seven days notice, in writing, to the contractor, to make good the failure, neglect, or contravention complained of, should the contractor fail to comply with the notice within a reasonable time from the date of service thereof in the case of a failure, neglect, or contravention capable of being made good within that time, or otherwise within such time as may be reasonably necessary for making it good, then and in such case the purchaser shall be at liberty to employ other workmen, and forthwith perform such work as the contractor may have neglected to, or if the purchaser shall think fit, it shall be lawful for him to take the work wholly, or in part, out of contractor's hands and re-contract at a reasonable price with any other persons, or provide any other material, tools, tackles or labour for the purpose of completing the work or any part thereof. In that event, the purchaser shall without being responsible to the contractor for fair wear and tear of the same, have the free use of all the materials, tools, tackles, construction plant or other things which may be on the site, for use at any time in connection with the work, to the exclusion of any right of the contractor over the same, and the purchaser shall be entitled to retain and apply and balance which may be otherwise due to the contract by him to the contractor or such part thereof as may be necessary to the payment of the cost of executing such work as aforesaid.

If the cost of executing the work as aforesaid shall exceed the balance due to the contractor, and the contractor fails to make good the deficit, the said materials, tools, tackle, construction plant or other things, the property of the contractor may be sold by the purchaser, and the proceeds applied towards the payment such difference and cost of and incidental to such sale. Any outstanding balance existing after crediting the proceeds of such sale shall be paid by the contractor on the certificate of the Engineer, but when all expenses, costs and charges incurred in the completion of the work are paid by the contractor all such material tools, construction plant or other things remaining unsold shall be removed by the contractor.

#### **15. DEATH BANKRUPTCY ETC.**

If the contractor shall die or commit any act of bankruptcy, or being corporation, commence to be wound up except for re-construction purposes or carry out its business under receiver, the executors, successors, or other representative in law of the estate of the contractor or any such receiver, liquidator or any person in whom the contractor may become vested, shall forthwith give notice thereof in writing to the purchaser for one month, during which he shall take all reasonable steps to prevent a stoppage of works and shall have the option of carrying out the contract subject to his or their providing such guarantee as may be required by the purchaser but not exceeding the value of the work for time being remaining-unexecuted. In the event of stoppage of the works, the period of option under this clause shall be fourteen days only. Provided that, should the above option not be exercised, the contract may be terminated by the purchaser by notice in writing to the contractor, and the same power and provisions reserved to the purchaser in the last preceding clause on taking of the work out of the contractor's hands shall immediately become operative.

#### **16. LIABILITY FOR ACCIDENTS AND DAMAGES**

The contractor shall be entirely responsible for all loss, damage or depreciation of the line is 'taken over' in accordance with the relevant clause of the specification.

The contractor shall during the progress of the work, properly cover up and protect the line from injury which also include theft and by expose to the weather, and shall take

every reasonable, proper, timely and useful precaution against accident or injury to the same from any cause and shall remain answerable and liable for all accidents or injuries thereto which until the same be, or be deemed to be, taken over as per relevant clause of this specification, may arise or be occasioned by the acts or omissions of the contractor or his workman or sub-contractor and all losses and damages to the line arising from such accidents and injuries as aforesaid shall be made good in the most complete and substantial manner by and at the sole cost of the contractor and to the reasonable satisfaction of the Engineer. Until the line shall be or be deemed to be taken over as aforesaid, the contractor shall also be liable to indemnify the company in respect of all damage or injury to defective design, work, or material, but not otherwise.

The contractor shall be deemed to have indemnified and saved harmless the CSPTC against all actions, suits, claims, demands, cost or expenses arising in connection with injuries suffered prior to the date when the line shall have been taken over as per relevant clause of this specification herein by persons employed by the contractor or his sub-contractor on the works whether under the General Law or under the Workmen's Compensation Act-1923 or any other statute enforced on the date of contract dealing with the question of the liability of employers for injuries suffered by employees and to have taken steps properly to insure against any claim there under.

On the occurrence of an accident which results in the death of any of the workmen employed by the contractor or which is so serious as to be likely to result in the death of any such workmen, the contractor shall within 24 hours of the happening of such accident intimate in writing to the concerned legal competent authorities as per rules & act enforce under intimation to Engineer-in-charge the fact or such accident. The contractor shall indemnify the CSPTCL against all loss or damage sustained by the CSPTCL resulting against all loss or damage sustain by the CSPTCL directly or indirectly including the penalties or fines if any payable by the CSPTCL as a consequence of CSPTCL's failure to give notice to the provision of the said Act in regard to such accident.

In the event of any claim being made or action brought against the CSPTCL involving the contractor and arising out of the matters referred to and in respect of which the contractor is liable, under this clause, the contractor shall be immediately notified thereof and he shall, with the assistance if he so requires of the CSPTCL, but at the sole expense of the contractor, conduct all negotiations for the settlement of the same or of any litigation that may arise there from. In such case the CSPTCL shall, at the expense of the contractor, afford all available assistance for any such purpose.

## **17. INSURANCE**

- (a) The materials for the work will be issued to the contractor only after insurance of the said materials and submission of insurance certificate (actual amount of insurance will mentioned in order copy) to the CSPTCL for carrying out the execution of the line/equipment works.
- (b) The responsibility for the safety and security of the materials rest on the contractor, thus the contractor is to ensure it as they are custodian of all the materials issued to them for the execution of the work
- (c) In case of theft/damage of the CSPTCL materials from contractors site store/during transportation of materials/ line, it is sole responsibility of the contractor to lodge FIR in concerned police station immediately and intimate it to the Engineer-in-charge/OIC of the work within 24 hours and ensure to lodge claim before concerned Insurance Company where the materials were already insured for all such purpose under intimation to CSPTCL. The entire cost of materials lost due to theft or damage will be recovered from the contractor.

- (d) The contractor shall arrange insurance coverage for the men and materials at his custody against loss by theft, destruction or damage by fire, flood, undue exposure to the weather or through riot, civil commotion, war or rebellion, for the full value of the line till the time of delivery until the line is taken over as per relevant clause of this specification. This insurance shall also cover loss by theft at site/line
- (e) The bidder shall ensure following insurances also: -
  - (i) Workmen Compensation Insurance: - This shall protect against claims applicable against workmen's Compensation Act 1948 (Govt. of India). This liability shall not be less than
 

Workmen's Compensation	- As per Statutory Provisions
Employees Liability	- As per Statutory Provisions
  - (ii) Comprehensive Automobile Insurance :- This insurance shall be in such a form to protect the contractor against all claims for injuries, disability, disease and death of members of public including purchasers men and damage to property of others arising from use of motor vehicle during on or off the site operation irrespective of ownership of such vehicles.
  - (iii) Comprehensive General Liability insurance: It shall protect contractor against all claims arising from injury disability, disease or death of public or damage to property due to act of contractor or his representative.
- (f) The payment of wages & fringe benefits should be done as per clause 22 of Nyuntam vetan adhiniyam 1948 & Labour contract act's Clause 21 of Regulation- Abolition act 1970, and also fixed by Govt/Dist. Collector as is enforce during the execution of work.

## **18. REPLACEMENT OF DEFECTIVE WORK OR MATERIAL**

If during the progress of the work the Engineer shall decide and notify in writing to the contractor that the contractor has executed any unsound or imperfect work, or has supplied any plant or materials inferior in quality or quantity to those specified, the contractor on receiving details of such defects or deficiency shall at his own expenses, within seven days of his receiving the notice, or otherwise within such time as may be reasonably necessary for making it good, proceed to alter, reconstruct, or remove such work or supply fresh materials up to the standard of the specification, and in case the contractor shall fail to do so, the purchaser may, on giving the contractor, seven days notice in writing of his intension to do so, proceed to remove the work or materials complained of, and at the cost of the contractor, perform all such work or supply all such materials provided that nothing in this clause shall be deemed to deprive the purchaser or affect any rights under the contract which he may otherwise have in respect of such defects of deficiencies.

## **19. RESPONSIBILITY TO RECTIFY THE LOSS AND DAMAGE**

If any loss or damage happens to the work or any part thereof or materials/plant/equipments for incorporation therein during the period for which the contractor is responsible for the case thereof or from any cause for whatsoever, the contractor shall at his own cost rectify/replace such loss or damage, so that the permanent work conforms in every respect with the provision of the contract to the work/equipment occasioned by him in course of any operation carried out by him during performing the contract otherwise cost of the material including other charges as per standing practice of the CSPTCL shall be recovered/deducted from the contractor RA Bills/Security deposit/Bank Guarantee/Retention money etc.

## **20. DEDUCTIONS FROM CONTRACT PRICE**

- (i) All costs, damages or expenses which the CSPTCL have paid, for which the contractor is liable under the contract, may be deducted by the CSPTCL from any money due / to become due by him to the contractor under the contract or may be recovered by suit or otherwise from the contractor as an arrears of land revenue.
- (ii) Recoveries For Liabilities Against Other Contract / Orders placed by the CSPTCL on the bidders shall be adjusted from payment(s) due against this contract that may be awarded against this specification.

## **21. CERTIFICATE OF ENGINEER**

Every application to the Engineer for a certificate must be accompanied by a detailed invoice (in duplicate), setting forth in the order of the schedule of prices, particulars of the work executed and/or plant ready for dispatch on the date of claim, and the certificate that such plant and work is in accordance with the contract, shall be issued by the Engineer within a reasonable time.

The Engineer may, by any certificate make any correction or modification in any previous certificate, which shall have been issued, by him and payments shall be regulated and adjusted accordingly.

## **22. CERTIFICATE NOT TO AFFECT THE RIGHTS OF THE PURCHASER OR CONTRACTOR:**

No certificate of the Engineer on account nor any sum paid on account by the CSPTCL, nor any extension of time for the execution of the works by the contractor under the powers granted shall affect or prejudice the rights of CSPTCL against the contractor, or relieve the contractor of his obligations for the due performance of contract, or be interpreted as approval of the work done or of the materials supplied and no certificate shall create liability in to the CSPTCL to pay for alterations, amendments, variations or additional work not ordered in writing by the Engineer, or discharge the liability of the contractor for the payment of damages whether due, ascertained, or certified or not or of any sum against the payment of which he is bound to indemnify the CSPTCL, not shall any such certificate nor the acceptance by him of any sum paid on account or otherwise affect or prejudice the rights of the contractor against the CSPTCL.

## **23. SUSPENSION OF WORKS**

The CSPTCL shall not pay any expenses, to the contractor arising from suspension of the work / works for any reason whatsoever.

## **24. RESPONSIBILITY OF CONTRACTOR**

The contractor shall be responsible for carrying out the works covered under the scope of the contract according to the specification, Order, approved Drawing. Deviations, if any, from the approved/specified conditions shall be brought to the notice of ED (S/S-O&M) CSPTCL, Dangania, Raipur (CG) 492013 through the site Engineer, before taking up the work and his decision shall be final and communicated through site Engineer. If at a alter date, it is found that the contractor has carried out some work, not according to the specifications, and without taking specific approval, then in that case, all the payments made to the contractor for carrying out such works shall be recovered and the contractor will have to rectify the same at the rate indicated in the order for carrying out such works without extension of time.

Anything mentioned in the specification or subsequent approval or acceptance of the Line by CSPTCL the ultimate responsibility for satisfactory performance of the Line shall rest with the contractor.

## **25. COMPLETION OF WORK & TAKING OVER**

- a) Time being the essence of contract the work shall be completed within the period specified in the work order.
- b) **TAKING OVER:** - Upon receipt of intimation about completion of work and after inspection, CSPTCL Engineer-in-charge shall issue a taking over certificate in which he shall certify the date on which the work has been so taken over. This certificate shall be issued within 30 days of the intimation from the contractor.
- c) The issuance of taking over certificate shall in no way relieve the contractor of his responsibility for the satisfactory operation of the work in terms of the specifications.

## **26. CONTRACTORS DEFAULT LIABILITY**

The CSPTCL may upon written notice of default to the contractor terminate the contract in circumstances detailed here under:-

**(I)** If, in the judgement of CSPTCL, the contractor fails to

(i) Complete the contractual formalities within the time specified in the contact agreement or within the period for which extension has been granted by CSPTCL to the contractor.

(ii) Comply with nay of the provisions of this contract.

In such case (s) CSPTCL under the provisions of this contract shall take one or more of the following penal actions:-

(a) Terminate the contract.

(b) Forfeiture of EMD and/or Security deposit, if available.

(c) Debar the firm for future business with CSPTCL for a period of two years from the date of issue of letter to this effect.

(d) This debarring may be applicable in respect of other Chhattisgarh State Power Companies also as may be decided by their management.

**(II)** In case the contractor fails to commence the work within the reasonable period as decided by CSPTCL or fails to complete the works within the contractual completion period or the progress is not commensurate with the time period provided for completion of entire substation or within a period for which extension has been granted by CSPTCL, one or more of following penal actions may be taken by CSPTCL against the contractor.

(a) Terminate the contract.

(b) Forfeiture of security deposit, if available.

(c) Debar the firm for future business with CSPTCL for a period of two years from the date of issue of letter to this effect.

(d) This debarring may be applicable in respect of other Chhattisgarh State Power Companies also as may be decided by their management.

(e) The payment of pending RA bills of the instant contract shall be withheld.

(f) The payment of pending RA bills of the other running contracts shall also be withheld.

**(III)** In case the work included in the tender is not completed in accordance to relevant clause of the tender “completion of work” and CSPTCL does not terminate the contract, the contractor shall continue to execute the work, in which case he shall liable to CSPTCL

for deduction of liquidated damages for delay as per relevant clause of this contract until the project is completed.

## **27. REJECTION OF WORKS**

In the event of any of the work done by the contractor is found defective workmanship or otherwise not in conformity with the requirement of this contract specification, the CSPTCL shall either reject the work or request the contractor to rectify the same. The contractor on receipt of such notices shall rectify the work free of cost. If the contractor fails to do so the CSPTCL may:-

- (a) As its option replace or rectify such defective materials and/or works and recover the extra cost so involved from the contractor plus 15% (fifteen percent) from the contractor and/or terminate the contract for balance work/supplies with enforcement of penalty as per contract.
- (b) Defective workmanship will not be accepted under any conditions and shall be rejected outright without compensation. The contractor shall be liable for any loss/ damage sustained by CSPTCL.

## **28. FORCE MAJEURE**

The contractor shall not be liable for any penalty for delay or for failure to perform the contract for reasons of FORCE MAJEURE such as acts of God, acts of public enemy, act of Government, cyclones, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes provided that the contractor shall within 10 (ten) days from the beginning of such delay notify the CSPTCL in writing of the cause of delay. The CSPTCL shall verify the facts and grant such extension as facts justify.

## **29. TERMS OF PAYMENT**

The contractor shall present at the end of each calendar month a bill for the works completed, inspected and duly certified by CSPTCL Engineer in charge, during the month at the charges/rates accepted. 90% value of the work done excluding service tax every month shall be paid usually within a period of one month on presentation of the bills. Balance 10% shall be retained by the CSPTCL and shall be released after satisfactory completion and the date of handing over of the completed Line by the contractor. However no interest shall be payable on delayed payment if any. The payment will be done through Electronic mode i.e. RTGS, NEFT etc. / account payee Cheque.

## **30. PENALTY FOR DELAY IN COMPLETION OF CONTRACT**

- a. If the contractor fails to perform the work within the specified period given in the order or extension granted thereof, with respect of successful completion of work, the Contractor shall pay to CSPTCL as liquidated damages, a sum of half percent (0.5%) of the contract price of the uncompleted portion of work for each calendar week or part thereof of delay. The date of taking over shall be reckoned as the date of completion of work. The total penalty shall not exceed 5% (five percent) of the contract price of total work (completed and uncompleted portion of work).
- b. The payment or deduction of such damages shall not relieve the contractor from obligations to complete the works, or from any of other obligations and liability under the contract.

## **31. EXTENSION OF TIME**

If the completion of construction of line is delayed due to reason beyond the control of the contractor such as strikes, lockouts, fire accident, delay in approval of drawings,

force Majeure conditions etc, then the contractor shall request to the CSPTCL in writing of his claim for an extension of time without delay. The CSPTCL on receipt of such request may agree to extend the contract date of the work as may be reasonable but without prejudice to other terms and conditions of the contract.

### **32. TAKING OVER**

The Engineer shall not delay the issue of any taking over certificate contemplated by this clause on account of minor defects in the line which do not materially effect the commercial use thereof provided that the contractor shall undertake to make good the same in due course.

### **33. NON-ASSIGNMENTS:**

The contractor shall not assign or transfer the work orders issued as per this contract or any part thereof without the prior approval of CSPTCL.

### **34. CERTIFICATES NOT TO AFFECT RIGHTS OF CSPTCL:**

The issuance of any certificate by CSPTCL or any extension of time granted by CSPTCL shall not prejudice the rights of CSPTCL in terms of the contract not shall this relieve the contractor of his obligations for due performance of the contract.

### **35. SETTLEMENT OF DISPUTES :**

- (a) Except as otherwise specifically provided in the contract, all disputes concerning question of fact arising under the contract shall be decided by CSPTCL provided a written appeal by the contractor is made to CSPTCL. The decision of CSPTCL shall be final to the parties hereto.
- (b) Any disputes or difference including those considered as such by only one of the parties arising out of or in connection with this contract shall be to the extent possible be settled amicably between parties. If amicable settlement cannot be reached then all disputes issues shall be settled by Arbitration as provided in this contract.

### **36. ARBITRATION**

- (a) No dispute or difference arising between the contractor and the Owner under or relating to or in connection with the Contract shall be referred to Arbitration unless an attempt has first been made to settle the same amicably.
- (b) Where any dispute is not resolved amicably then such disputes shall be referred to & settled by Arbitration under and in accordance with the provisions of the Arbitration and Conciliation Act-1996 and any statutory modification thereof, by three Arbitrators. One to be appointed by each party and the third to be appointed by the two Arbitrators appointed by the parties at the commencement of Arbitration proceedings and falling agreement between them, in accordance with said Act, the third Arbitrator so appointed shall act as the presiding Arbitrator. The award shall be final and binding upon the parties. The venue of Arbitration shall be Raipur.
- (c) The language of the arbitration proceedings and of all documents and communications between the parties shall be English. Arbitration award shall be speaking, final and binding.
- (d) Notwithstanding anything to the contrary contained herein the work under the Contract shall continue during the pendency of any disputes or differences in Arbitration proceedings and no payment due from the Owner shall be withheld on account of such proceedings except to the extent which may be in dispute and the Owner shall be entitled to make recoveries of amounts, if any, due from the Contractor, as per the provisions of the Contract.

**37. SUBLETTING OF CONTRACT:-**

The contractor shall not without the consent in writing of the Engineer or purchaser, assign or sublet his contract, or any substantial part thereof, other than for raw materials, for minor details for any part of the work of which the makers are named in the contract, provided that any such consent shall not relieve the contractor from any obligation, duty or responsibility under the contract.

The activities which can be allowed for subletting are excavation, transportation of materials, backfilling, de-watering, shoring and shuttering and other minor works. The contractor will inform the site engineer in writing about such subletting of works. The fabrication and galvanizing of towers in case of supply and placement of reinforcement steel, concreting, tower erection & stringing in case of construction will be done by the contractor himself by using their own gangs etc.

**38. ACCESS TO SITE AND WORK ON SITE:-**

Suitable access to the site shall be afforded to the contractor by the purchaser in reasonable time. The day to day minor problem like free access to the site and other local problems would be solved by the contractor at his own cost. However, the purchaser would extend necessary cooperation/assistance in this respect. The necessary road permits required for transportation of men/material would be arranged by the contractor at his own cost.

In the execution of the work no persons other than the contractor, or his duly appointed representative, subcontractors and workman shall be allowed to do work on the site, except by the Special permission, in writing of the Engineer or his representative, but access to the works at all times shall be accorded to the Engineer and his representative, and other authorized official or representatives of the purchaser.

Nevertheless, the contractor shall permit the execution of the work by other contractors of tradesman whose name shall have been previously communicated in writing to the contractor by the Engineer, and afford them every facility for the execution of their several works simultaneously with his own. The contractor shall provide all the skilled and unskilled labour necessary for the erection of work included in the contract.

**39. CORRESPONDENCE**

- (a) Any notice to the contractor under the terms of the contract shall be served by registered mail or by hand to the authorized local representative of the contractor and copy by post to the contractor's place of business.
- (b) Any notice to CSPTCL shall be served to the Executive Director (S/S-O&M), CSPTCL Dangania, Raipur (CG) 492013 in same manner.

**SECTION III**  
**COMMERCIAL TERMS AND CONDITIONS**

**1. SCOPE**

The work includes awarding labour contract for equipment erection, jumprng, cable laying, disc stringing, earthing at 220 KV substation Bhilai under EE (S/S) Dn , Bhilai on labour contract basis.

**2. PRICES AND QUANTITIES**

Prices for various items are to be quoted in the manner specified in schedules appended with this specification. The prices will include the cost of labour, all tools and plants except otherwise specifically mentioned in this specification and other incidental charges in connection with the work, pertaining to each items as indicated in the schedules, unless otherwise indicated in the specification. **The quoted price shall be FIRM and inclusive of all taxes which ever applicable exclusive GST.**

The quantities are provisional & may vary during actual execution of the work. The work is to be completed as per actual site conditions and on same rate as offered and on similar terms and conditions.

**3. COMPLIANCE WITH REGULATIONS**

Unless otherwise specified, all works shall be carried out in accordance with the Indian Electricity Act 2003; Indian Electricity Rules-1956 with any amendments or revisions thereof which may be issued during the currency of the contract and the requirement of any other Regulations and Acts as applicable in India (including local statutory bodies) which the CSPTCL may be subjected to. Contractor shall also comply with the Minimum Wages Act and the payment of Wages Act and the rules made their under in respect of any employee are workman employed are engaged by him or his sub contractor.

All railway tracks, power / communication line, or other important road crossings etc. or routing the line through air field region shall conform to the relevant rules and procedure laid down by railway, communication, aviation or other concerned authorities.

**4. TAXES & DUTIES ETC.**

- (i) **GST:-** applicable GST is 18%
- (ii) **Income Tax: -** Income Tax will be deducted at source as per rules enforced.

**5. RESPONSIBILITY FOR OBTAINING INFORMATION AND TAKING ACTION IN TIME**

Whenever any information or clarification in respect of work has to be obtained from various authorities, the contractor shall be responsible for taking action well in time so that there are no delays on this account. Request for extension of the completion date on such ground will not be entertained.

**6. PERMITS AND PRIORITIES**

Necessary permits, if any, required for the execution of the contract shall be arranged by the contractor himself. The contractor shall obtain the necessary license as per central /state / local statutory bodies at his cost. The CSPTCL may, however, furnish to the contractor such certificates as may be required for the necessary permits / priorities

for the execution of the work, if CSPTCL considers demand justified. The CSPTCL will, however, not be responsible for the delay in execution of the contract, if permits / priorities are not granted in time.

**7. TOOLS AND PLANTS TO BE ARRANGED BY THE CONTRACTOR:**

The contractor shall be required to provide at his own expenses all necessary tools and plants at his cost for carrying out to complete the work.

**8. IDLE / MOBILIZATION / DEMOBILIZATION CHARGES**

No idle / Mobilization / Demobilization charges will be payable by the CSPTCL for any reason whatsoever to the contractor for stoppage of work.

**9. INSURANCE**

The contractor shall arrange secure and maintain insurance as may be necessary and for all such amount to protect his interest and the interests of the CSPTCL against all risks as detailed herein. The contractor's failure in this regard shall not relieve him or any of his contractual responsibilities and obligations.

Any loss or damage to the materials during handling, transporting, storage and painting work till such time the line is taken over by the CSPTCL shall be to the account of the contractor. The contractor shall be responsible for preferring of all claims and make good for the damage or loss by way of repairs and/or replacement of the portion of the works damaged or lost. The transfer of title shall not in any way relieve the contractor from the above responsibilities during the period of the contract. The contractor shall submit to CSPTCL with a copy of all insurance policies and specifications taken out by him in pursuance of the contract. Such copies of specifications shall be submitted to the CSPTCL immediately after such insurance coverage is obtained. The contractor shall also inform the CSPTCL in writing at least Thirty (30) days in advance regarding the expiry, cancellation and/or change in any of such documents and ensure revalidation/renewal etc. as may be necessary, well in time.

All costs on account of Insurance liabilities covered under the contract will be on contractor's account and will be deemed to be included in contract price. The contractor shall cover insurance with Indian Insurance Companies only.

The contractor shall arrange above insurance for the total completion period of painting work as quoted by him in the completion schedule. For delay in the completion of work, up to 3 (three) months, due to any reason whatsoever, the contractor shall bear the charges of extension of insurance policy.

Any other insurance including the insurance of working personnel employed by the contractor / his subcontractor shall also be the responsibility of the contractor and shall be arranged, it is mandatory, at his own cost.

**10. MATERIALS TO BE ARRANGED BY THE CSPTCL:** CSPTCL will supply material to the contractor.

**11. DEPARTMENTAL STORES FOR DISTRIBUTION / RETURN OF MATERIALS**

All the materials will be supplied to the contractor from the departmental stores as detailed in relevant section i.e. instruction to the contractor of the specification.

The contractor shall intimate the Company item wise quantity of each material, which he proposes to receive from above store. This information should be supplied sufficiently in advance (at least one month) so that the materials could be arranged accordingly. In case of any difficulty in availability of materials the matter should be referred to the order placing authority of the CSPTCL.

The contractor shall be responsible for loading the material, transporting them to different stores established by him or to the site of work including unloading, stacking /storing etc. without any extra charges from the CSPTCL.

The contractor shall be responsible for proper handling, storage and proper maintenance of the materials received by him from the date of their receipt till the end of completion of work by the CSPTCL.

## **12. EARTHING OF CB STRUCTURE**

Earthing work of the CT structure will be properly welded and tightening with nut bolt in MS Flat and earth bond

## **13. INSURANCE FOR TRANSPORT, STORAGE, ERECTION & WORKMAN**

The transit and storage insurance shall be arranged by the contractor to cover the materials against risks mentioned above, at his own cost and **the quoted prices shall be inclusive of such insurance charges.**

Any other insurance including the insurance of personnel employed by the contractor/his sub-contractor for the painting work shall also be the responsibility of the contractor and shall be done, if required at his own cost.

## **14. DEVIATION FROM SPECIFICATIONS**

It would be obligatory on the part of the tenderer to enclose a separate schedule of deviation, if there is (are) any deviation (s) from our commercial terms / conditions. Even if no deviation is involved, a separate schedule of deviation for commercial conditions should be enclosed wherein a certificate may be recorded that there is no deviations from all our commercial conditions. All tenders, wherein these conditions are not complied with, may run the risk of rejection without any correspondence from our side.

## **16. CHECK LIST**

The checklist in respect of various schedules etc. required to be submitted by the Bidder without which the tender will be considered incomplete and liable for rejection. The Bidder should submit all schedules duly filled-in along with their offer.

\*\*\*

# SCHEDULE –I

## QUESTIONNAIRE

**Note:** The Bidders may please note that submission of this questionnaire duly and properly filled-in is essential while filling in entries against the questions given below no reference should be made to comments entered elsewhere in the tender. All queries should be answered and these answers should be complete in themselves. Please note that none of the column should be left blank and clear reply against all columns should be furnished. In case this is not done the offer will be liable for rejection.

1. Name and address of Bidder with phone
  - a. Address
  - b. Phone No.
  - c. Mobile No.
  - d. Fax No.
2. Whether the required earnest money has been furnished by you, if yes.
  - (i) In which form
  - (ii) Amount of earnest money furnished.
3. Turn over for the last 5 years
  - (i)
  - (ii)
  - (iii)
  - (iv)
  - (v)
4. Have you submitted a certificate of CA regarding turn over.
5. Whether a list orders executed by you enclosed with full particulars of nature of work done.
6. Whether a photo copy of A Class Electrical Contractor license (duly revalidated) has been furnished.
7. Whether a copy of EPF code number has been furnished.
8. Whether Prices/Rates are firm.  
(Please quote the firm rates only).
