Signature of tenderer

6. First of all, envelope of Earnest Money will be opened and verified. If this is found in order, then only second part of the tender i.e. technical & commercial bid of tender will be opened and finally the price bid of the Tendered, who has successfully crossed two stages of opening, will be opened (subject to conditions). If found necessary, the price bid may be opened later on for which new date/time will be intimated separately. The contractor or his only one authorized representative having power of attorney will be allowed to be present during opening of tender.
7. The Earnest Money will be refunded to un-successful tenders within a reasonable time. The Earnest Money deposited by the successful tenders may be adjusted in the Security Deposit for the due fulfillment of the contract, but shall be forfeited, if the contractor fails to execute the contract after intimation of the acceptance of his tender.
8. This forfeiture shall be without prejudice to the right of the Company to recover further damages, if any, from the tender.
9. The contractor should be registered at least under category ' C' EHV line & S/S works. Supporting document should be enclosed with quotation.
10. Within 7 days of intimation given for the acceptance of the tender, the successful tenderer shall be required to deposit an amount equivalent to 10% (Ten Percent) of the contract value towards **security deposit** for successful completion of the work in the form as specified in Clause 4 above, otherwise the SD will be deducted from the bills of successful tenderer after adjusting his EMD. The work shall commence exactly as per guidelines within 10 days from the date of receipt of the letter of acceptance.
11. Tenderers must fill up complete tender form and should submit duly signed all pages by the firm's competent person with rubber seal of the firm. The document should be free from over writing. Any tender not bearing the signature in all the documents accompanying the tender shall be liable for rejection.
12. Tenders which do not fulfill all or any of the above conditions or incomplete in any respect are liable for rejection.
13. The submission of a tender by the tenderers implies that he has read and accepted the instructions, the conditions of the contract etc. and has made himself aware of the scope of the work to be done and local conditions and other factors bearing on the execution of the work.
14. After acceptance of rates, the Company will not pay any extra charges for any reasons whatsoever even in case the contractor later reports to have misjudged the conditions of the contract.
15. **The Rate must be quoted along with break up of 'Basic Unit Price' and 'Other component of taxes' distinctly. The tenders having 'Total unit price inclusive of all taxes' shall not be considered.** Rates shall be quoted both in words & figures in the price schedule enclosed. In case of deviation of rates in figures and words, rates quoted in words shall prevail.
16. The taxes will be applicable as per prevailing rates for work completion within specified time. It may be noted that only statutory variations due to Govt. regulations in the rate of GST or other taxes (if any) shall be payable by the CSPTCL only within contractual period. In case, the contract is affected late i.e. beyond contractual completion period and rates of GST & other taxes (if any) undergoes upward revision, the payment will continue to be made only on the basis of rates prevailing during the contractual period. However, in case the rate of statutory levies undergoes downward revision, then the delayed work completion beyond contractual period will attract reduced rate of levies.
17. It shall not be obligatory for the Company or its officer to accept the lowest tender. The authority for the acceptance of the tender will rest with the Company, which does not bind itself to assign any reason for declining to consider any particular tender or tenders.
18. The tender offer should be valid positively, for acceptance for a period of three months from the date of opening; otherwise liable for rejection.

**Signature of tenderer.**

19. Telegraphic/Fax offer shall not be accepted.
20. Further information required (if any) can be from the O/o The Superintending Engineer (S/s-O&M) Circle, CSPTCL, Tifra, Bilaspur (CG), Pin No. 495 223, Phone No. 07752-427060.
21. The tender received after the due date and time shall not be accepted/opened. Company will not be responsible for postal or courier service delay.
22. The company reserves the right to accept/reject any tender without assigning any reason thereof.
23. As per requirement, any time the quantity indicated in schedule-III may increase or decrease by giving one week notice but the quoted rate shall remain FIRM. The same will be binding on the contractor and will not have any claim for the quantity altered.
24. These conditions of tender shall form part of the contract and any breach of the terms of this notice shall be deemed to be a breach of the contract. All matters arising out of or any way connected with this contract shall be deemed to have arisen in Bilaspur and only the Courts in Bilaspur shall have the jurisdiction to determine the same.
